

M O D E L

Model é um sofá de conceito minimalista e de volumetria suave. Sua base com pés de alumínio lhe confere uma elegância imponente e um visual fluido. Em sua estrutura espumas de diversas densidades proporcionam excelente conforto. Possui uma infinita gama de modulações que se adequam a todos os espaços.

Imponente e de visual fluido, seus pés de alumínio e a volumetria suave fazem do estofado Model um item de design sóbrio e soberano em qualquer decoração. Na imagem em conjunto com mesas laterais Palo.

ESTRUTURA

O produto possui estrutura em madeira de eucalipto de reflorestamento, chapas MDF, montadas com grampos de aço e fixos com cola PVA (própria para madeira), proporcionando assim grande resistência e evitando rangidos no produto. Conta ainda com pés em alumínio.

ESTOFADO

O estofado conta com assento e encosto em percintas elásticas. Tem almofadas soltas no encosto e fixas no assento e ambas contam com espumas soft e HR revestidas com manta de fibra poliéster, maximizando o conforto ao toque.

ACABAMENTOS

Cartela de tecidos Uultis, com composição afixada em tecido que acompanha o produto. Pé: Alumínio.

COMPOSÊ

Base + Almofadas Encosto.

OPCIONAIS

No braço de 250mm existe a opção de torre multiplug. O módulo canto possui opção de almofadas decorativas com a possibilidade de escolher acabamentos diferentes para cada uma.

OBSERVAÇÕES

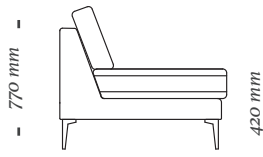

O produto conta com opções diversas para: a escolha da espessura e quantidade dos braços, para o tamanho do assento e para os modelos de cantos e chaise longues. Isso permite uma variada gama de composições, trazendo versatilidade para composição de ambientes.
